FAQ of Disposable Health Materials SMS Non-woven sheet

Question	Answer
Q1: do you have it in stock?	A1: Yes, we have.
Q2: What is your MOQ?	A2: customized: 1ton

Q3: How can I get the sample?	A3: if you need sample to test, we can do it according to your request. But we have to charge the sample fees. If it is our normal product in stock, you only pay the cost of transport and the sample is free.
Q4: What is the package detail?	A4: individually packaged for each PC or for customer needs
Q5: What should I do if I can not find what I'm looking for on your website?	A5: Do not hesitate to contact us by e-mail and send detailed information for the product you are looking for. We will check if it is available.
Q6: what about delivery times for mass production?	A6: Honestly, it depends on the quantity of the order and the season in which the order is placed. In general, the delivery time is about 2-4 weeks. So we suggest you start the request as soon as possible.
Q7: Is it okay to name the customer's brand?	A7: of course. We warmly welcome OEM customers. We can discuss the package, design, etc.
Q8: when can I get the price?	A8: We usually quote within 24 hours after getting the details of your inquiry. If you are very urgent to get the price, please call us or tell us in your email in order to quote the price as soon as possible.
