H1008B 鋼板 G

A photograph of a person's lower torso and legs, wearing a pink nonwoven slipper. The slipper is a thin, mesh-like fabric with a white elastic waistband. The person is standing against a plain, light-colored background. Two thin black lines are drawn horizontally across the person's hips and thighs, likely to indicate the fit or placement of the slipper. The text 'www.nonwovenproductsulipper.com' is overlaid on the image in the upper middle section, and 'www.guidenonwoven.com' is overlaid in the lower middle section.
