A close-up photograph of a piece of nonwoven fabric. The fabric features a repeating pattern of wavy, zig-zagging lines in a light pink color against a white background. The texture appears slightly fibrous and non-woven. The fabric is folded, creating a crease that runs diagonally across the frame. Two website URLs are overlaid on the image in a white, sans-serif font. The first URL is positioned in the upper-middle section, and the second is in the lower-middle section.
