1035H-RE 100 % PET

The image shows two pieces of red nonwoven fabric. One piece is a large, roughly rectangular sheet on the left, and the other is a smaller, triangular piece on the right. They are set against a black background with a fine, repeating diamond-shaped texture. The red fabric has a soft, fibrous appearance.

1035H-RE 100 % PET

A photograph showing a large number of white, cylindrical objects, possibly medical supplies like syringes or vials, arranged in a grid pattern within a container. The objects are stacked in rows, with some rows being shorter than others, creating a stepped appearance. The container has a dark, possibly black, interior lining.
