GT-M-PPHAP-W01 PP

www.nonwovenproductsulipper.com

A close-up photograph of a nonwoven fabric with a distinct, repeating dimpled or quilted texture. The fabric is light-colored, possibly off-white or light grey, and the texture consists of small, rounded, interconnected cells. A diagonal crease or seam runs across the center of the image, separating two slightly different sections of the material. The lighting is even, highlighting the three-dimensional quality of the texture.
