FAQ of China Manufacturer HL-07B Perforated PP Spunbond Non Woven Fabric For Medical And Health Materials

Question	Answer
Q1: Do you have it in stock?	A1: Yes, we have.
Q2: What is your MOQ?	A2: Customized: 1ton
Q3: How can I get the sample?	A3: If you need sample to test, we can make it as per your request. But we need to charge sample fees. If it is our regular product in stock, you just pay freight cost and sample is free.
Q4: What is your package detail?	A4: individually packed for each pcs, or customer's requirements

Q5: What should I do if I can not find what I look for on your website?	A5: Please feel free to contact us by email and send detailed information for the product you look for. We will check whether it is available.
Q6: What about lead time for mass production?	A6: Honestly, it depends on the order quantity and the season you place order. Generally speaking, the lead time is about 2-4 weeks. So we suggest that you start inquiry as earlier as possible.
Q7: Is it all right to make customer's own brand name?	A7: Sure. We warmly welcome the OEM clients. We can discuss the package, design, etc.
Q8: When can I get the price?	A8: Usually we quote within 24 hours after we get your inquiry detail. If you are very urgent to get the price, please call us or tell us in your email so that we will quote your price as soon as possible.
