Product Show of GTTN54-30-012 Flash Beads Non Woven Fabric For Floral Packaging And Gift Wrapping

A close-up photograph of a piece of orange nonwoven fabric. The fabric has a fine, fibrous texture and is covered with numerous small, glistening water droplets. It is set against a light blue background. Two website URLs are overlaid on the image: 'www.nonwovenproductsulipper.com' in the upper left and 'www.guidenonwoven.com' in the center.

The image shows a close-up of an orange, textured nonwoven material. A diagonal crease runs from the top left towards the bottom right. Two website URLs are printed on the material in a dark, sans-serif font. The first URL is positioned above the crease, and the second is below it. The material has a slightly mottled appearance with some small, lighter-colored specks.
