7 pcs/pack

A photograph showing the interior of a storage container. The walls and ceiling are made of light-colored corrugated metal. The floor is also made of a similar material. The container is filled with numerous cardboard boxes, stacked in a neat, grid-like pattern. The boxes are light brown or tan in color. Some boxes have visible tape and labels, though the text on the labels is not legible. The boxes are stacked in several rows, reaching up towards the ceiling. The lighting is somewhat dim, and the overall scene suggests a warehouse or storage area.

loaded in container
