GTGDG 70GSM PP

A close-up photograph of a light-colored, fibrous nonwoven fabric. A single green thread is visible, extending from the right side towards the center of the frame. The fabric has a mottled appearance with subtle variations in tone and texture.

The image shows a close-up of two different nonwoven fabric textures. The left side is a lighter, smoother fabric, while the right side is a darker, more fibrous and textured fabric. They meet at a diagonal seam running from the top right towards the bottom left. Two website URLs are overlaid on the image.
