优势

1. 产品规格齐全：产品规格齐全，厚度从0.5mm到5mm，宽度从1.6M到3.2M，长度从100M到1000M，满足不同客户的需求。

2. 产品质量稳定：产品质量稳定，符合国际标准，通过SGS、BUREAU VERITAS、CE、Nemko、TüV Rheinland、ATC、CTI等认证。

3. 交货周期短：交货周期短，从接单到发货只需7-10天，满足客户的紧急需求。

A photograph of a warehouse interior filled with numerous large rolls of plastic sheeting. The rolls are arranged in rows, with some standing upright and others lying flat. The colors of the plastic vary, including white, black, red, green, and grey. The warehouse has a high ceiling with visible structural beams and lighting fixtures. A semi-transparent banner is overlaid on the bottom right corner of the image, containing the text "Warehouse Stock".

A photograph of a large industrial facility, likely a steel mill. The image shows multiple levels of steel structures with yellow safety railings. In the foreground, there are large rolls of material, possibly steel coils, and various industrial equipment. The background shows more of the facility's structure and some lighting fixtures.
